

Amir Faour

BSc, MBBS, FRACP, FCSANZ

*Interventional Cardiologist (Medcare Hospital, Dubai, UAE)
Adjunct Associate Lecturer (UNSW, Sydney, Australia)*

✉ +971544228722
✉ a.faour@unsw.edu.au

Key Skills

- **Interventional Cardiology:** Trained in the UK and Australia. Completed fellowships in Structural Cardiology from Leeds General Infirmary (Leeds, UK), and Interventional Cardiology from Liverpool and Campbelltown Hospitals (Sydney, Australia). Fellow of the Cardiac Society of Australia and New Zealand (FCSANZ) and Fellow of the Royal Australasian College of Physicians (FRACP). Skilled at OCT/IVUS/FFR/iFR-guided percutaneous coronary intervention (PCI), transcatheter aortic valve implantation (TAVI) and mechanical circulatory support with Impella.
- **Research:** Author of 8 peer-reviewed papers and 30 conference abstracts. PhD candidate at The University of New South Wales, Sydney, Australia. Proficient in R (programming language for statistical computing).
- **Teaching:** Adjunct Associate Lecturer at The University of New South Wales, Australia.
- **Leadership:** Appointed Co-Chief Cardiology Registrar and led yearly PCI clinical audits at Liverpool Hospital, Sydney, Australia. Co-chaired weekly Heart Team meetings at Liverpool Hospital, Sydney, Australia and Leeds General Infirmary, Leeds, UK.
- **Bi-Lingual:** Fluent in English and Arabic.

Employment

Medcare Hospitals and Clinics

Consultant Interventional Cardiologist

Dubai, UAE

Jul 2022 - Present

Campbelltown Hospital

Interventional Cardiology and Research Fellow

Sydney, Australia

Aug 2021 - Feb 2022

- Fellowship in Interventional Cardiology while completing my PhD candidature at the University of New South Wales, Sydney, Australia. Performed over 800 PCIs to date. Authored 3 publications in peer-reviewed journals and 3 conference abstracts.

Leeds General Infirmary

Structural Cardiology Fellow

Leeds, UK

Mar 2020 - Mar 2021

- Fellowship in Structural Cardiology with a primary focus on TAVI. Performed over 350 TAVIs and 100 PCIs. Skilled at reporting TAVI CTs (reported over 200 TAVI CTs) and at implanting Edwards, Medtronic, Abbott and Boston Scientific valves. Authored 1 publication in a peer-reviewed journal and 4 conference abstracts. Co-chaired weekly Valve Team meetings. Performed clinical audits for the TAVI team. Independently ran biweekly TAVI clinics and ward rounds, with extensive experience in preoperative and postoperative TAVI care. Supervised medical students completing research projects remotely (Independent Learning Projects at The University of New South Wales, Sydney, Australia).

Liverpool Hospital

Interventional Cardiology Fellow

Sydney, Australia

Feb 2018 - Feb 2020

- Fellowship in Interventional Cardiology with a focus on OCT/IVUS/FFR/iFR-guided PCI and mechanical circulatory support with Impella. Performed over 700 PCIs. Authored 1 publication in a peer-reviewed journal, 21 conference abstracts and presented at STEMI Experts Forum (Sep 2019, Sydney, Australia). Proficient in proximal radial, distal-radial and femoral arterial access (also with ultrasound guidance). Adept at intracoronary imaging with IVUS and OCT and physiological testing with FFR and iFR. Primary operator in many infarct PCIs as well as bifurcation stenting and rotational atherectomy. Safe and skilled independent operator in PCI with excellent decision making. Extensive exposure to and participated in CHIP procedures including antegrade and retrograde CTO-PCI and Impella-assisted protected PCI. Very experienced in IABP insertion and management. Co-chaired weekly Heart Team meetings. Performed yearly PCI clinical audits with statistical analyses and data visualisation utilising R (statistical software).

Liverpool Hospital

Cardiology Advanced Trainee

Sydney, Australia

Feb 2015 - Feb 2018

- Completed a three-year advanced training program in Cardiology. Appointed Co-Chief Cardiology Registrar between Feb 2017 - Feb 2018. Authored 4 conference abstracts and presented at 2 conferences (Cardiac Society of Australasia and New Zealand, Sydney, Australia, Sep 2019 and STEMI Experts Forum, Sydney, Australia, Aug 2019). Skilled in transthoracic and transoesophageal echocardiography, stress echocardiography, stress testing, Holter analysis and clinical cardiology. Examiner for the FRACP clinical mock exam at Liverpool Hospital, Sydney, Australia (Feb 2015 - Feb 2018).

Liverpool Hospital

Basic Physician Trainee

Sydney, Australia

Feb 2012 - Feb 2015

- Completed a three-year training program in Internal Medicine. Achieved Adjunct Associate Lecturer status at the University of New South Wales and was actively involved in teaching junior medical officers and medical students. Developed skills in internal medicine and passed the FRACP written and clinical exams in 2014.

Liverpool Hospital

Intern

Sydney, Australia

Jan 2011 - Feb 2012

Professional Memberships

Cardiac Society of Australia and New Zealand <i>Fellow (FCSANZ)</i>	Australia <i>Feb 2022 - Present</i>
Dubai Health Authority <i>Registered Consultant Cardiologist and Specialist Interventional Cardiologist</i>	UAE <i>Apr 2022 - Present</i>
American College of Cardiology <i>International Associate</i>	USA <i>Feb 2022 - Present</i>
General Medical Council <i>Registered Physician</i>	UK <i>Nov 2019 - Present</i>
Royal Australasian College of Physicians <i>Fellow (FRACP)</i>	Australia <i>Dec 2017 - Present</i>
Australian Health Practitioner Regulation Agency <i>Registered Physician with General and Specialist Registration (Cardiology)</i>	Australia <i>Jan 2011 - Present</i>

Education

The University of New South Wales <i>PhD candidate</i>	Sydney, Australia <i>Feb 2016 - Present</i>
Royal Australasian College of Physicians <i>Fellow of the Royal Australasian College of Physicians (FRACP) - Cardiology</i>	Sydney, Australia <i>Feb 2012 - Feb 2018</i>
The University of Queensland <i>Bachelor of Medicine/Bachelor of Surgery (MBBS)</i>	Brisbane, Australia <i>Feb 2007 - Feb 2010</i>
The University of Queensland <i>Bachelor of Science in the fields of Biomedical Science and Physiology (BSc)</i>	Brisbane, Australia <i>Feb 2004 - Dec 2006</i>
Rashid School for Boys <i>A-Levels</i>	Dubai, UAE <i>Sep 2001 - May 2003</i>

Academic Distinctions

Dean's Commendation for High Achievement <i>Bachelor of Medicine/Bachelor of Surgery</i>	The University of Queensland, Australia <i>2008</i>
Dean's Commendation for High Achievement <i>Bachelor of Science</i>	The University of Queensland, Australia <i>2006</i>
Dean's Commendation for High Achievement <i>Bachelor of Science</i>	The University of Queensland, Australia <i>2005</i>
Dean's Commendation for High Achievement <i>Bachelor of Science</i>	The University of Queensland, Australia <i>2004</i>
Dean's Commendation for High Achievement <i>Bachelor of Science</i>	The University of Queensland, Australia <i>2003</i>

Teaching

The University of New South Wales
Adjunct Associate Lecturer

Sydney, Australia
Feb 2013 - Present

Liverpool Hospital
Examiner for the FRACP mock clinical exam

Sydney, Australia
Feb 2015 - Feb 2018

Conference Presentations

STEMI Experts Forum
Computer-Assisted ECG Interpretation in STEMI

Sydney, Australia
Sep 2019

Cardiac Society of Australasia and New Zealand
The Glasgow Algorithm is Not Specific in Patients with Bundle Branch Block

Sydney, Australia
Aug 2017

STEMI Experts Forum
Analysis of Prehospital Transmissions in Suspected STEMI

Sydney, Australia
Sep 2017
